**Amendments to the Communication from the UKNF of 23 January 2020
on information processing by supervised entities using public or hybrid cloud
computing services**

Due to the state of epidemic in the Republic of Poland, in response to the requests from organisations of supervised entities, and considering the ongoing measures aimed at containing the spread of covid-19, the Chair of the KNF Board has introduced, with the effect as of 25 March 2020, the following changes in the application of the Communication from the UKNF of 23 January 2020 on information processing by supervised entities using public or hybrid cloud computing services:

- (1) for the supervised entities which use cloud services, the deadline for adapting to the requirements laid down in the Communication has been changed: from 1 August 2020 to 1 November 2020;
- (2) for the supervised entities which intend to use cloud services, the obligation to notify the UKNF of the intention to use the service with 14 days' notice has been replaced with the obligation to notify the UKNF that the entity uses the service not later than 30 days from the day the entity started to use the service.

The amendment described in point 2 shall expire on 1 November 2020.
